Foreword

This is Poquoson High School standing in the hearts of all who are related to it in any way. We have spent four busy and happy years here and Poquoson High will forever be remembered by the Class of '57.

On the following pages and throughout the "Islander" we see how our community has provided for us and helped us to grow spiritually, physically and mentally.

The "Islander" staff has selected for its theme HOW WE CAN CONTRIBUTE TO OUR COMMUNITY. We now express our appreciation for all the wonderful opportunities which our community has made possible for us to enjoy.

Earl Shores

Dedication

As we come to the close of our high school career, we wish to take this opportunity to express our appreciation of the loving understanding and wise counsel that our parents have given us throughout all of our formative years. We feel sure that the ideals and high standards of our parents will be reflected in us as we go out into the adult world.

We dedicate The Islander of 1957 to our parents as a token of our love and esteem for them and as our pledge that we will try to prove ourselves worthy of the example they have set for us and all that they have done for us.

SENIOR CLASS OF '57

When we go into a garden
To pick a flower there,
We choose the sweetest and
the fairest
And the one that is most rare.

The Class of '57
Is not complete today.
God needed two of our class-
mates
To brighten his bouquet.

Here's To Poquoson High School

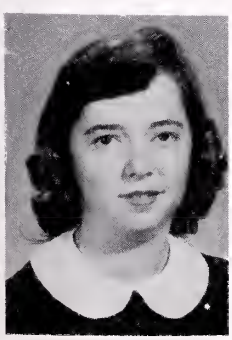

Here's to the Spirit of P.H.S.

Here's to our hours of play and sports that taught us cooperation and sportsmanship . . . Here's to all the hard work we've done that brought its reward in improved skills, changed attitudes, better understanding, and challenges to attain ever higher goals . . . Here's to friendships that developed here and that will always mean much to us . . . And pictured on these pages are reminders of the years that have passed by too quickly, leaving us happy memories of our student days at Poquoson.

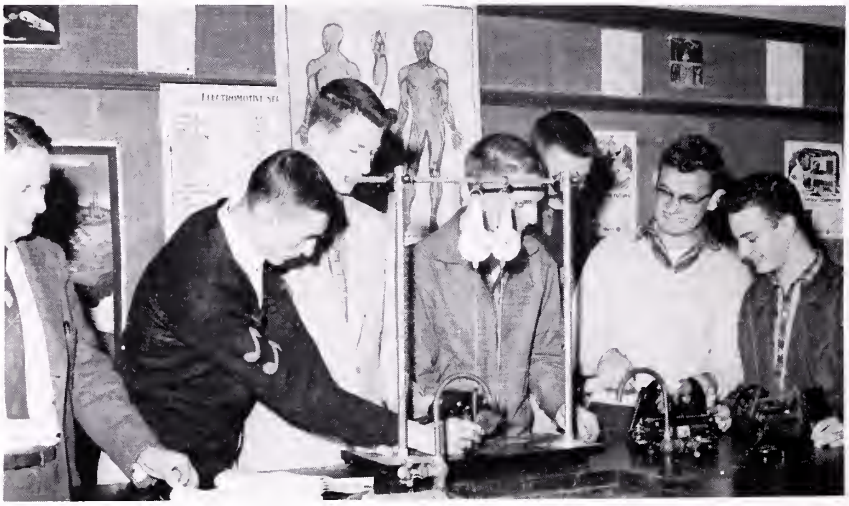

Valedictorian: Jane Freeman,
Salutatorian: Harvey Herring.

Class History

Norman Paul, President; Ronald Moore, Vice-President; Ruben Firth, Treasurer; Kay Quinn, Secretary.

As the sound of Pomp and Circumstance filled the air, the graduating class of 1957 began to realize that the end of a career was near. As the class walked up the aisle, memories of previous years at P.H.S. swept over them.

The class entered P.H.S. as Freshmen in September 1953; Norman Paul was elected President and Roane Hunt was elected S.C.A. Representative.

Beverly Cook and Janet Padget were chosen to represent the class in the May Day Festivities.

A more confident group of boys and girls entered P.H.S. as Sophomores the next fall. The officers that were elected are as follows: President, Norman Paul; Vice-President, Freddy Riggins; Secretary, Douglas Williams, Jr.; Treasurer, Felton Graham, and S.C.A. Representative, Harvey Herring.

The class sponsored a St. Patrick's Day Dance to earn money.

As Juniors the class entered P.H.S. in September with the knowledge that they were to assume more responsibility and to participate in more activities.

To lead the class, the following people were elected: President, Freddy Riggins; Vice-President, Mary Estelle Page; Secretary, Ronald Moore; Treasurer, Kay Quinn, and S.C.A. Representatives, Harvey Herring and Norman Paul.

This year the class gave a "Sock Hop" to make money for the Junior-Senior Prom.

Our school rings came the last of March. These rings were proudly shown around for weeks.

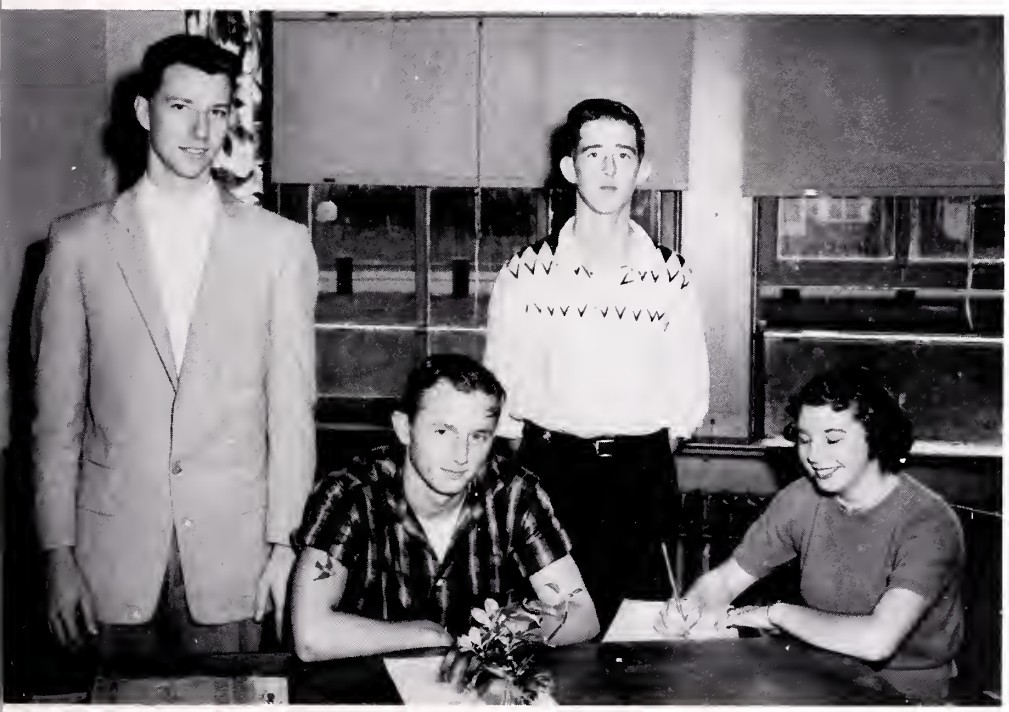

The biggest affair of the year took place on the fourteenth of May, the Junior-Senior Prom. The theme was "Hawaiian Cruise." Under the guidance of Mr. & Mrs. Collins the prom turned out to be one of the most successful proms given at P.H.S.

In September 1956, the class entered P.H.S. as Seniors, full of hopes and plans for a successful year. The Islander, Island Echo, and S.C.A. were soon gotten under way with the management and guidance from the Senior sponsors, Mrs. Freeman and Mr. Shores.

The officers of the Senior class were: President, Norman Paul; Vice-President, Ronald Moore; Secretary, Kay Quinn; Treasurer, Ruben Firth; S.C.A. Representatives, Mary Estelle Page and Linda Forrest.

The day for ordering class pins, invitations, calling cards and "thank you" notes soon came, only to make the class realize that graduation was very close.

As the Class of 1957 move on to take their places in the outside world or to continue their training, they carry with them many happy memories of their school days. Most treasured among these are the friendships developed here—heaven's truest, dearest gift to mankind.

Aboard the Good Ship P.H.S. the starboard lookout, peering through the binoculars reports "Objects Ho!" As we approach the objects, we distinguish them as the future of the class of '57.

One large object that appears is a sign advertising Riggins Motor Company under the management of Freddy Riggins.

In close view is a settlement where Loretta Back and Kay Quinn are busy keeping house next door to each other.

Ruben Firth is employing Wayne Lowe and Ronald White to drive two of the many grocery trucks in his fleet.

Felton Graham and Norman "Dooky" Paul are playing professional football with the Chicago Bears.

Well! What is this? Otis Insley is the Agriculture Director at Poquoson, and Linda Forrest is his secretary. On the faculty are some former students, Fae Forrest, Camilla Rollins, Susan Gillespie and Mary Arlene Horsley. Joel "Buddy" Little is Art Director.

Mary Jean Moore and Marie Owen are typists for John Thomas Forrest and James Watkins, Contractors.

Last Will and Testament

We, the 1957 Graduating Class of Poquoson High School, upon our departure, do hereby declare this to be our last will and testament.

Many are the outstanding qualities among our members and as it has been a custom to pass them on to you—Mr. Thomas, homeroom teachers, faculty and Seniors of '58—we shall do so trusting that you will guard them to the best of your abilities.

To Mr. Thomas, our beloved and loyal principal, we each wish him the best of success and continued health throughout his life.

To Mr. David Shores and Mrs. Nannie Freeman, our Senior homeroom teachers, we leave our love and thanks for their understanding guidance, leadership and thoughtfulness they have so kindly given and shown us in our past years at P.H.S.

To the faculty, we leave our sincere appreciation for their guidance in leading our thoughts and mind in the direction of knowledge and understanding.

The immediate goals of the S.C.A. were the establishment of an Honor Club, assumption of responsibility for all clubs and dances. The S.C.A. recognizes the need for a Central Finance System and it is working toward setting up such a system.

Our continuous aim has always been the encouragement of better cooperation and understanding among the students, faculty, and community.

The Magazine Campaign was our money-raising project for the year. Though we did not meet the goal set, we did very well.

We attended the annual meeting of the Chesapeake Distriet of S.C.A. at Warwick High School.

The S.C.A. Council, which is the governing body, meets every first and third Thursday to carry on the business activities of the school.
